

THE MATTHEWS HOUSE IS ELIGIBLE FOR THE HOMELESS CONTRIBUTION TAX CREDIT!

[Apply HERE](#)

What is the Homeless Contribution Income Tax Credit (HCTC)?

The Colorado Homeless Contribution Income Tax Credit (HCTC) aims to encourage taxpayers to make contributions to approved nonprofit organizations to support providing appropriate housing and services to assist individuals and families experiencing homelessness.

When taxpayers make a certified contribution, they can claim the following:

- 25% of their donation (monetary or value of in-kind) as a state income tax credit if contributed to a qualified organization in a non-rural county.

What qualifies as a monetary contribution or value of in-kind contributions?

- If monetary, a donation must be at least \$100.
- If they are in-kind, i.e., stock, they need to be valued at, at least \$5000

What programs at TMH qualify?

The Matthews House is eligible for two programs:

- Case management support for youth and families at risk or experiencing homelessness. We are eligible to provide up to \$750K in tax credits.
- Capital Campaign for the development of our regional youth shelter. We are eligible to provide an additional \$750K in tax credits.

Can I donate through a third party?

- Only donations made directly to TMH are eligible for the tax credit certificate.

How do I receive a tax certificate?

- Once an eligible donation is received, TMH will upload the information into a state database, and a certificate will be emailed to you. Additional information may be requested.

Who should I contact to learn more about TMH and the HCTC credit or have questions?
